CAPT. LEUEL P. OSENA

CONSULTANT

Capt. Leuel P. Oseña, the software's sole author, started his software development in 1980, as a young deck cadet on board a reefer vessel, manned by Manila-based Career Phils. Inc. He served 8 positions from Deck cadet in 1980 to Chief Mate in 1989 and remained at the Management level for 5 years until 1994, making a total of 14 years of sea-time career, given a 12-month employment contract (10 months on board + 2 months leave). He had a well-rounded ship experience moving cargo worldwide, allowing him to perfect his Navigation and Stability software. He learned to write codes purely by reading textbooks about hard-core computer languages. The author graduated from BSMT with the highest honor, out of the 3,500 graduating class of his Alma Mater, batch 1981. He took 4 PRC Marine Board examinations (3rd Mate to Master); achieving top 10 in those levels. All the vessels he served had their ship owners based in Hamburg, Germany. He served numerous vessel types moving big volumes of cargo, such as General, Reefer, Dry Bulk, Grain, Cars, Containers, Timber, Log, and Heavy Lift. He served well in the positions on deck such as OS, AB, Jr. Officer, Jr. 3rd Mate, 3rd Mate, 2ndMate, and Chief Mate, until acquiring Master, then he finally stopped his glorious career at sea in 1994 to establish his own software development company. He used software to share his productive capabilities with Deck and Engine officers with his slogan "Omarsoft, the language of Future Seafarers". In 1996, he put up Maritime Career Development Center Inc., offering computer literacy short training courses to seafarers until the year 2000 until the present.

JKNF

MARITIME MANAGEMENT SERVICES

For over 21 years, JKNF Company has been a dedicated service provider to the shipping industry, particularly in food distribution. On July 7, 2022, the company expanded its horizons by establishing JKNF Maritime Management Consultancy Services. This new venture is not only committed to nationwide shipping distribution but is also focused on nurturing the next generation of Filipino seafarers.

With a strong emphasis on maritime education and training, JKNF is investing in the future of maritime professionals by supporting students from the K-12 level to officer positions in various colleges, state colleges, and universities throughout the nation. By guiding individuals through their educational journey in the maritime field, JKNF is ensuring the development of high-quality Filipino seafarers ready to meet the demands of the global shipping industry.
